WEATHER PROBABILITIES.—For this season fair; northerly winds.

WEDDINGS.—Mr. Robert Eddington and Miss Estel R. Cline, daughter of Mr. Bernard Cline, were married at the residence of the bride's father in this city last night before a large number of their friends. Rev. T. E. Carson performed the ceremony. A handsome collation was served. The bride and groom left on the 11:08 train for Wilmington, Del., the home of the groom, where they will spend two weeks.

Mr. John Reed and Miss Hannah Paff, daughter of Mr. F. Paff, were married at the home of the bride's father on north Patrick street, last night by Rev. Mr. Rice. Only the relatives and immediate friends of the contracting parties were present.

Between six and seven o'clock yesterday evening the Young Men's Sociality Lyceum was thronged with people to witness the nuptial ceremonies of Mr. Thomas McDermott and Miss Veronica Power, daughter of Mr. F. J. Power. Rev. Father Cutler, assisted by Rev. Father Kenefick, performed the ceremony.

The marriage of Miss Lucy Addison Hester and Mr. Henry Brown Turner, of New York city, took place last night at Trinity Church, Washington, Rev. Dr. Addison officiating. He was assisted by Rev. Mr. Perry. Messrs. F. G. Turner and Edward Montgomery, of New York, John Critcher and Geo. Robinson, of this city, and Frank D. Hester were the ushers. Miss Mary Louise Hester was maid of honor and Miss Mae Payne, of Warrenton, Miss Maud Wheat, of this city, and Miss Mary Brown were the bridesmaids.

Mr. William P. Whyland, of New York, was best man. The bride came into church with her brother, William B. Hester. The choral service was used, the boys singing the bridal hymn to the music of the "Lohengrin" march. The bride's toilet was a beautiful creation in white satin. The long veil was gracefully caught to the hair, and fastened with flowers. An informal reception followed at the residence of the bride's mother, No. 1419 Q street. Later Mr. and Mrs. Turner left for New York, which is to be their future home.

At St. John's Church, Washington, yesterday at noon occurred an exceedingly pretty Easter wedding, the contracting parties being Miss Anne Howard Rundlett, daughter of Mrs. Howard M. Rundlett and granddaughter of the late Maj. A. A. Nicholson, and Dr. James Clark McGuire. The bridesmaids were Misses Anna Brinton, Miss Sarah Daingerfield, Miss Mary Todd and Miss Lucille Fuller.

IN THE WASHINGTON JAIL.—As has been stated, Desmond, the suspected case blower, was taken to Washington yesterday by General Glover and Lieut. Smith, of the Alexandria police force, on the ferry boat Belle Haven, arriving at the Seventh street wharf at 2 o'clock. The Fourth precinct patrol wagon was in waiting when the boat landed, and drove the party to the office of Marshal Wilson, in the City Hall. Desmond's bail was fixed at \$3,000, and he being unable to furnish it was consigned to jail. As Desmond was being led from the court room to the cage in the basement a sensational scene transpired in the lobby of Judge Cole's courtroom. Attorney Eugene O'Neill and District Attorney Birney had a controversy at the rear door of the courtroom which led very nearly to blows, and Mr. Birney was obliged to call upon deputy marshals to arrest O'Neill. It is thought there is something more in this Desmond-Williams case robbery case than has yet come to light and it is hardly apparent upon which side Mr. O'Neill is attached. Detectives Weedon and Horne, who were in this city yesterday, confidently believe that Desmond is guilty, and that they will have sufficient evidence to convict him. Since the night of the Jackson City in digging up two grip sacks at Harry Chandler's place, where Desmond was arrested. One of the valises belonged to Desmond and the other to Jack Dempsey, both being found under a porch in the rear of the place. In Desmond's valise were found several peculiar dynamite cartridges exactly like those found lying on the floor in the steamboat office the day after the robbery. It is believed that the officers have other convincing proof which will be added at the trial.

STRUGGLE WITH A HIGHWAYMAN.—At 12 minutes past twelve o'clock last night Mr. Jones, a young man in the employ of the Washington Southern Railway Company, came out of the freight house on Henry street, and saw a white man emerge from a neighboring alley and walk toward him. The stranger, when close to Mr. Jones, demanded his money or his life. Mr. Jones told the highwayman he had but fifteen cents, but the latter did not believe him and grappled with him. Both men rolled about on the pavement for some time, neither getting much advantage of the other, until the struggle attracted the attention of a woman who happened to be in a neighboring doorway, and she yelled "murder!" The highwayman then released Mr. Jones and started to run away. At this juncture a railroad man, who had been attracted to the spot by the woman's cries, fired his pistol into the air to give an alarm. It is suggested that he should have discharged his weapon at the stranger, who was within range at the time.

DESECRATING GRAVES.—Considerable annoyance has been occasioned owners of lots in the cemeteries adjoining the city recently by the vandalism of persons who continue to remove flowers, &c., from graves. Yesterday the owner of a lot had cause to believe a young woman had tampered with a grave in his lot—at any rate flowers had been removed from the mound of a deceased relative and placed on that of one related to the young woman. She had been seen in the cemetery, and a warrant was sworn out against her. The accused appeared in the Police Court this morning, when she denied disturbing the grave, saying the act was committed by one of her companions. It was deemed expedient to postpone the case until to-morrow when the other girl will be present.

Jockey Harry Griffin will arrive from San Francisco to-night and will ride at St. Asaph to-morrow.

GEN. LEE'S APPOINTMENT.—The appointment of Gen. Fitzhugh Lee to be U. S. Collector of Internal Revenue for this district meets with general satisfaction in this city and throughout this district and State. It is believed that he will make but few if any changes among the offices under him. The pay of the position is about \$4,500 and there is no hard work for the collector. If he has competent assistants he will have comparatively little to do.

The Lynchburg Advance says: "General Lee was asked yesterday if in case he received the appointment he would remove any of the present force. In reply he asked if they gave satisfaction, and on being told that their records were first class, he stated that under those circumstances he could see no necessity for any change. General Lee has a charming family and if in the future, he should bring them to this city, Lynchburg would be much the gainer thereby. His children are Misses Ellen and Annie and young Fitz and George."

The Washington correspondent of the Richmond Times says:

The story of the appointment of General Fitz Lee as internal revenue collector is exceedingly short. On Tuesday Secretary Carlisle received a letter from General Fitz Lee, in which he stated that he would accept the position if the President saw fit to consider his name. Mr. Carlisle took this letter with him upon a visit to Woodley last night, and when Mr. Cleveland read it, he requested the Secretary to make the appointment. At nine o'clock yesterday morning the commission was made out, and when the President came in at 1 o'clock he immediately attached his signature to the document. The appointment is peculiarly and particularly a personal one on the part of the President, and his own letter is said to have been the only paper filed in the case. There is no possible question as to General Lee's acceptance. He will qualify at once.

THE RACES.—The last three races at St. Asaph yesterday resulted as follows:

Fourth race, 1 mile.—Copyright won, Restraint second, Peter the Great third. Time 1:40.

Fifth race, 5 furlongs.—Tancred won, Bound Brook second, Ina third. Time 1:03.

Sixth race, 5 furlongs.—Wilton won, Tear Drop second, Bonville third. Time 1:02.

A match was run between Logan and Equity at a mile, the former carrying 105 and the latter 107 pounds, and resulted in a dead heat, due to Littlefield's careless riding in the last sixteenth.

Martha Washington, colored, arrested by Officer Howard charged with assaulting a small white girl, was fined \$5, or given 30 days in the work house.

A white girl, arrested by Officer Sherwood charged with taking flowers from a grave, had her case postponed until to-morrow.

Night Report.—Last night was clear and cool. One prisoner and thirteen lodgers were at the station house.

THE MINSTRELS.—George Thatcher & Carroll Johnson's 20th Century Minstrel will appear at the Opera House on next Monday evening. From the following comments from the Philadelphia papers, lovers of this style of entertainment can be assured that there is a rare treat in store for them: "The whole show was good, and every one in the audience, which filled the house, said so—Everything they said and did brought a laugh—Tribby's Wedding, is one of the most laughable things ever seen in this city—When the curtain rose on the beautiful 'first part' there was a hum of admiration followed by loud applause—The show was the best ever given in this city."

STOLEN OUTFIT.—Moses Comfort, colored, was arrested yesterday by Officer Davis charged with stealing a pair of shoes, and this morning when arraigned in the Police Court it was ascertained that about everything else he was wearing was stolen property and was claimed by the owner who was present. After having been divested of what did not belong to him he was in no condition to appear in public. He was sent to the chain gang for 60 days, and before entering upon his duties will be attired at the expense of the city in the conventional stripes.

FIRE IN A LUNCH HOUSE.—About 10 o'clock last night a hanging coal oil lamp was knocked down by a customer in the Dunbarton Cafe, conducted by Samuel Boley, colored, on the east side of St. Asaph street, between King and Prince, and before the flames were extinguished the place was gutted, everything save the cook stove having been destroyed. The loss, which is covered by insurance, will be about \$130 on the stock and fixtures and \$50 on the building. The fire was extinguished with a plug stream by the Columbia company.

DEFACING PROPERTY.—Complaint is again made by members of Potomac Lodge of Odd Fellows that some persons are continuing to deface their building on north Columbus street. The police have been notified and a sharp lookout will be kept for the offender. If detected the fine will not be less than \$5 according to the city law.

FISH.—Since yesterday about 50,000 herring and 1,000 shad have arrived at Fishtown. Herring sold to-day at \$2.50 per thousand and shad at \$10.50 per hundred.

WASHINGTON, D. C.

PERSONAL.—Mr. W. E. Atwell, an old and esteemed citizen, will leave here in a few days to make his home with relatives in Washington.

The members of the Young People's Union of the Second Presbyterian Church spent a very pleasant evening on Tuesday as the guests of Rev. T. H. Rice and his sister, Miss Lucy Rice, at the manse. The musical renditions both vocal and instrumental were excellent and all present enjoyed a delightful evening.

Mr. Henry Daingerfield left here last night for Danville to engage in the tobacco business.

Mr. F. A. Reed, who has been quite sick for the past few days, is out again.

Mr. Richard Washington, of Virginia, a clerk in the Treasury Department, has been promoted to a position in that department at a salary of \$1,400.

REVIVAL SERVICES.—Mr. Stokely preached to a large congregation last evening in Trinity church. The illimitable possibilities of good and evil that were waiting on the decision of the men and women in the congregation were set forth with resistless force. Salvation from sin, death, the grave, and a fearful looking for of judgment were the chief points in this discourse. Two persons united with the church at the close of the service. Mr. Stokely will preach again to-night.

The Baptist church was well filled again last night. Four persons were baptized and several applied for church membership. Services will be continued to-night.

MAY CONTROL ST. ASAPH.—A dispatch from Washington says: "In keeping with the promise of J. C. Carr, the St. Asaph foreign book was closed down yesterday. It had been in operation since last May and handled a mint of money. Treasurer J. N. Kirk said it cost the Virginia Jockey Club a handsome sum to close the book. The projected reorganization of the club may take place next week. The 100 shares of stock are at present owned by J. M. Hill, J. N. Kirk, T. Wall, Robert Lynn, John Eagan, J. C. Carr and Dennis McLaughlin. It is probable that Carr, representing the interests of the five persons last named, will be found acting in an official capacity next week."

RAINBOW SOCIAL.—Another large crowd assembled at Sarepta Hall last night, it being the occasion of the visit of the First Regiment of Washington to the fair in progress there. The regiment was met by Rathbone Division and escorted to the hall where they were welcomed by Major E. R. Boyer. His remarks were responded to by Col. Oiggins. It was the general expression of the visitors that the fair room and the ladies present were pretty and pleasant.
